EXPERIENCE, PROJECTS {

- **SoCalTubSpecialist**
As a web developer, I remastered their Wix website using React and Tailwind. Designed a modern, responsive interface highlighting their expertise in vanity installs. Delivered a visually impressive website that enhanced their online presence.

- **The Aimee Oki Foundation**
Revamped TheAimeeOkiFoundation's Wix website using HTML, CSS, and JavaScript. Created a visually appealing and user-friendly interface, incorporating interactive elements to promote bipolar awareness.

- **Moshified**
Developed Moshified, a mock cloud hosting app using HTML, CSS, and JavaScript. Created a user-friendly interface, allowing users to manage cloud resources effectively.
